### **Biomedical Engineering Encouragement Award 2007**

Do you know a Biomedical Engineer that deserves acknowledgement of their work by means of an encouragement award?

Please nominate them for this award comprising a funded visit to the Annual Country Biomedical Engineering Training Seminar in 2008

Dubbo: Sun 31<sup>st</sup> Mar- Wed 2<sup>nd</sup> Apr

Nomination forms, previous winners and their reports on [www.smbe.asn.au](http://www.smbe.asn.au)

#### PHILOSOPHY

This annual award is to be made as a means of acknowledging and encouraging excellence amongst Biomedical Engineering practitioners.

#### PROCESS

The recipient shall be selected by the council of the SMBE (SA) from amongst candidates who shall:

*Be nominated by a peer who deems them worthy of such recognition*

The nomination by a peer must give a clear indication or evidence of the nominees abilities, skills, motivation or commitment that, in their mind, sets them apart and makes them deserving of particular recognition.

#### CONDITIONS

Open to all BME practitioners, from within SA and the NT, be they SMBE members or not.

The recipient must be in a position to attend the conference, in either their own or employers time. The award may be forfeited if this requirement cannot be fulfilled.

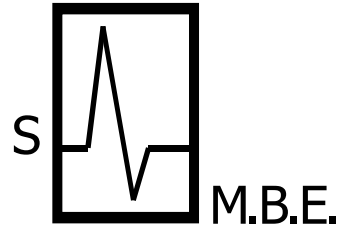

Individuals holding position on the council of the SMBE (SA) at the time of judging are ineligible for consideration.

All entrants are eligible for minor awards of complementary SMBE (SA) membership for a one year period.

The SMBE (SA) council reserves the right to not make the award.

To be in the running for this award and the associated prize the nominee needs to:

1. Accept the nomination by signing and returning this form to the proposer, who will forward it to the secretary of the SMBE (SA)
2. Be available to attend the above conference
3. Agree to write a report on the conference and submit it for publication in the SMBE newsletter. This needs to be no more than two typed A4 pages (unless you are really keen). The subject can be of your choosing: on one specific part of the seminar, or an overview of the event. The article should relate to biomedical engineering in some way.
