It is with sadness that we hear of the passing of Penny Wade in Launceston, Tasmania.

Penny, originally from that state, spent a number of years in Adelaide where she worked for Flinders Medical Centre and SA Surgical Supplies. It was during her

sales career that she was a member of the SMBE here in Adelaide. She will be surely missed by those who knew her and by her family.

SMBE (NSW) Country Technicians Seminar

This popular and informative seminar is on in March 1999 in Newcastle. For those that are able to make the trip this is a very worthwhile seminar. Topics suggested include telemedicine, Y2K, networking of equipment, risk management, standardised functional testing, databases, over testing to AS3551, flexible and rigid endoscope testing, battery management, beds, training, internet.....
