The 2008 Student Papers Night

A Public Speaking Competition for Biomedical Engineering and Medical Physics Students (Honours level and above)

Public speaking is a skill – and conveying scientific or technical knowledge in an informative and engaging manner is always a challenge. The **2008 Student Papers Night** provides an opportunity for Biomedical Engineering and Medical Physics students to present on their Honours, Masters, or PhD projects.

To enter, simply send an abstract of no more than 250 words with your name, university, and the title of your presentation to Wendy Tuckwell or Tam Nguyen (details listed below) by **Wednesday 29th October**. Applicants will be short-listed and their applications reviewed, before being invited to present on the night. Presenters should talk for no more than 15 minutes and allow 5 minutes for question time at the end.

This is an open event, and family and friends are encouraged to attend to support the presenters.
