

FLINDERS
UNIVERSITY

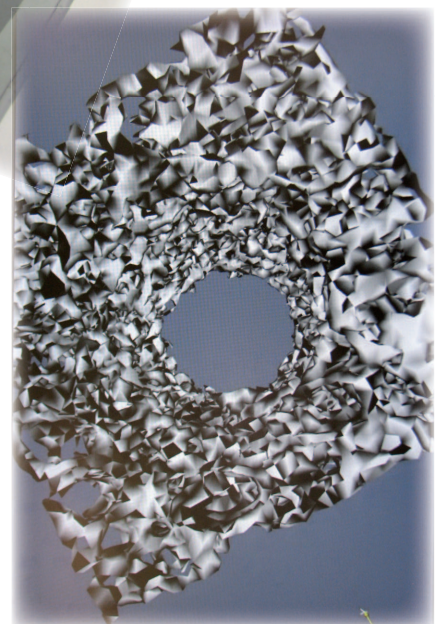

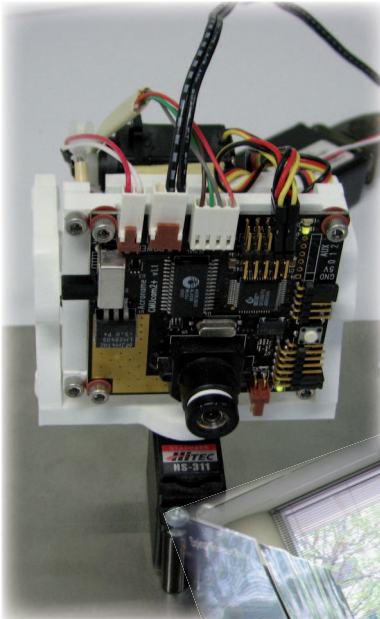

Flinders University School of Computer Science, Engineering and Mathematics

Invites you to our

Engineering Honours Projects Expo 2008

To be held at the
Engineering Building
Flinders University

**Friday 7 November 2008
11:00am - 4:30pm**

The Expo offers an opportunity to see the excellence of the work being conducted by Flinders University engineering students and also to talk to students and staff about the undergraduate and postgraduate degree programs.

See robotic systems, medical diagnostic tools, software systems, assistive technologies, control systems, systems for managing power and many other projects both innovative and exciting

Please contact Ruth Mitchell on 8201 3600 (ruth.mitchell@flinders.edu.au) for more information
