## ***AGM 2007 for SMBE (SA) Inc***

***Featuring***

***Guest Speaker: Prof Guy Maddern***

***"Surgery 2027: Star trek or unemployment?"***

Professor Guy Maddern is the RP Jepson Professor of Surgery within the University of Adelaide and Head of the Division of Surgery at The Queen Elizabeth Hospital. He is a member of the Clinical Senate within the Department of Health and has a well established history of being an innovator and commentator when it comes to health care strategies. Prof Maddern has diverse interests in leading edge clinical research and the development and evaluation of new interventional technologies and procedures. He is also currently a finalist in the SA Science Excellence Awards in the category of "Science Leadership and Management".....amongst all this Guy remains a practicing surgeon!!
